Michelle Peel Program Coordinator michelle@al911board.com

Office: 334-440-7911

# Agenda March 1, 2022

## Overview

- > Registration is free!
- > April 11, 2022 through April 13, 2022
- > Troy University at Montgomery, 231 Montgomery Street, Gold Room in Whitley Hall & the Alabama 9-1-1 Board Office at 1 Commerce Street, Suite 620
- Three tracks designed to support you in your daily role

# Which track is right for you?

Are you a headset hero? The **Telecommunicator & End-Users** track is where you want to be.

Is your day filled with address assignment, GIS database tasks, or CAD mapping responsibilities? The GIS & Addressing Personnel track is for you.

Is most of your time is spent administering the operations of a 9-1-1 agency? The Directors & Administrative Personnel track is where you need to be.

# Agenda

	Monday April 11	Tuesday April 12	Wednesday April 13
Directors & Administrative Personnel	1:00 PM-5:00 PM	8:00 AM-11:00 AM	
Telecommunicators & End-Users		1:00 PM-5:00 PM	8:00 AM-5:00 PM
GIS & Addressing Personnel		1:00 PM-5:00 PM	8:00 AM-5:00 PM

# Check out the User Conference Webpage!

https://al911board.com/announce ments/2022-alabama-9-1-1-board-<u>user-conference</u>

Come join us for the inaugural Alabama 9-1-1 Board User Conference. It will be held at Troy University at Montgomery in the Gold Room at Whitley Hall April 11-13, 2022. Registration is free

This event will be divided into three distinct educational tracks focused on supporting you in your daily role in emergency

## Cyber WarGames

OTM Cyber will host the first annual OTM Cyber WarGames training event for Alabama 911! The event will be held on April 14th, 2022 at Troy University, 231 Montgomery Street, Gold Room in Montgomery. The event will last from 8:30 am to 4:00 pm with lunch provided.

The OTM Cyber WarGames will be an in-person live action role play of various cyber events. Attendance is free for 911 agencies and their teams. It will be a daylong event. The scenarios will be based on real-life cyber incidents faced by 911 agencies across the country. This does not require an in-depth technical background or understanding. The scenarios will require management and leadership skills, some technical skills, and other skills which is why this is an event for your whole leadership team.

**More Information and Registration**
