Networking and Training Opportunities

Over the past several years, the 911 community in Alabama has chosen the month of July to hold the 911 Summit, which is an event created by the Alabama Association of 9-1-1 Districts (AAND) in partnership with the Alabama 9-1-1 Board and the Alabama Chapter of the National Emergency Number Association (NENA), during which they hold a series of meetings in close proximity to each other. There is no registration for the NENA Quarterly and Alabama 911 Board meetings. They are open meetings for any stakeholder to attend. The AAND workshop that follows has an educational agenda and requires register so that they can prepare for refreshments, seating, etc. AAND also typically has room blocks with discounts surrounding their events. You may register for and review their agenda by visiting: <https://www.alabamacounties.org/event/alabama-9-1-1-summit/>. Other sites you should check for 911 stakeholder events in Alabama are:

- AAND calendar -- <https://www.alabamacounties.org/events/>
- AL NENA -- <https://www.alabamacounties.org/events/>
- AL APCO -- <https://apcoalabama.org/meetinginfo.php> (It's not listed yet, but ALAPCO is working on a fall workshop in October, FYI.)
- Alabama 911 Board -- <https://www.al911board.com/upcoming-meetings> (meetings past and future) and <https://www.al911board.com/professionals> (for all training, webinar recordings, etc.)
