

American Emergency Preparedness

WORKSHOPS FOR MAY 2026

Come join Ted Bourgeois for 1 or both of his amazing workshops! Ted delivers a wealth of experience and expertise in a very entertaining environment!

Programs Offered

May 12th - Tactical Dispatch

- Focusing on emergency triage, radio control, and critical thinking, we aim to set your dispatchers up to succeed and perform at the highest level.

May 13th - Crisis Communications

- Focusing on how we transition between being caregivers, information gatherers, and tactical response dispatchers

Pricing:

Single Day Workshops: \$249/pp
