# ThisGen 911

## MODULE SCORES

- Data Entry
- Map Navigation
- Cross-Referencing
  
- Digit Span
- Task Switching
- Visual Search
  
- Go/No-Go
- Professional Conduct
  
- Audio Synthesis, Classification & Prioritization
- Call Simulations

## DOMAIN INDEXES

Operational Skills

Cognitive Aptitude

Critical Judgment & Resilience

Job Realism

## OVERALL

**Composite**  
Score

The composite score is a summary indicator of performance across the assessment, but it should not be treated as a definitive ranking or as a standalone hiring decision tool. Candidates with similar composite scores may show meaningfully different domain and module profiles. For that reason, the composite is best used for initial orientation, followed by review of domain-level results, module-level performance, and the underlying simulation materials where applicable.
